

# COMPETITIVE EVENTS CHANGES

## MONTA VISTA FBLA

There are a number of changes and modifications to competitions for the 2009-2010 school year. They are summarized below:

### NEW EVENTS

Computer Game and Simulation Programming will replace Internet Application Programming

### EVENT MODIFICATIONS

Electronic Career Portfolio must be web-based

Job Application will be completed at the school site and submitted with resume materials

All events requiring readme files must submit the readme file as a hard copy with the rest of the media

Prepared templates may be brought to the testing site for the Account II Production Test

Lecterns and podiums will no longer be available for performance events
